

## SPECIAL UPDATE

Chambers of Commerce around the United States have been called to action by the U.S. Chamber of Commerce to urge Congress to approve U.S.-Mexico-Canada trade agreement (USMCA).

Trade with Mexico and Canada is critical for our economy. Collectively, the two countries bought more than one-third of all U.S. exports reaching nearly \$1.3 trillion in 2017. The U.S.-Mexico-Canada Agreement preserves and strengthens the North American economy, benefiting American workers, farmers, businesses and consumers.
